

Summer School - Agenda

SEPT 9-10 | Room LRC 012

Stelios Ioannou Library,
UCY

This project has received funding from the European Union's Horizon 2020 research and innovation programme 2014-2018 under the Marie Skłodowska-Curie grant agreement No. 812991

AGENDA

DAY 1 - Monday 09 September 201
Room- LRC0129

Refreshments/ Poster Session I - LRC 019

11.30-13.00

Fundamentals of Wireless Networks

Leader: David Lopez Perez (NOK)

Lunch

14.00-15.30

Antennas, Antenna Systems & Radio Propagation in
Next Generation Communication Systems- Part I

Leader: Dimitris Ntaikos (AIT)

Refreshments

16.00-17.30

Antennas, Antenna Systems & Radio Propagation in
Next Generation Communication Systems- Part II

Leader: Constantinos Papadias (AIT)

19.00

Welcome Reception - Domus Restaurant

This project has received funding from the European Union's Horizon 2020 research and innovation programme 2014-2018 under the Marie Skłodowska-Curie grant agreement No. 812991

AGENDA

DAY 2 - Tuesday 10 September 2019
Room- LRC012

09.00-10.30 Radio Resource Management – from LTE towards 5G
Leader: Konstantinos Ntougias (AIT)

10.30-11.30 Fundamentals of UAV communications
Leader: Adrian Garcia Rodriguez (NOK)

Refreshments/ Poster Session II - LRC 019

12.00-13.00 Wireless Backhaul-Fronthaul I
Leader: Lorenzo Galati Giordano (NOK)

13.00-14.00 Wireless Backhaul-Fronthaul II
Leader: Emad Alsusa (UMAN)

Lunch

15.00-16.30 Wireless powered communications
Leader: Ioannis Krikidis (UCY)

Refreshments

16.45-18.00 Writing, Reviewing and Presenting Scientific Work
Leader: Konstantinos Ntougias (AIT)

Free Evening

This project has received funding from the European Union's Horizon 2020 research and innovation programme 2014-2018 under the Marie Skłodowska-Curie grant agreement No. 812991
